Institution of Civil Engineers - Wikipedia The Institution of Civil Engineers Visitor Centre, London: Hours, Address, The Institution of Civil Engineers Visitor Centre Reviews: 5/5 The Institution of Civil Engineers Visitor Centre (London ... How the London underground was built. Engineers

building the Metropolitan line in 1863 used the 'cut and cover' method to dig tunnels. This meant workers dug a trench, built the sides and then roofed it over. Roads had to be closed for weeks on end causing disruption in an already-crowded city. Engineers later adopted the more successful shield method. London Underground | Institution of Civil Engineers London Waterloo station Ana Walpole and Jeremy Gardner talk about Waterloo Station, one of the busiest in the UK and highlight what civil engineering is currently being carried out at this famous station.
